

AMPULLULA? erchunensis

(Fang Xiaosi) Tongjiorgi, Yin Lei-ming
& Di Milia 1995

1986 *Aremoricarium erchunense* Fang Xiaosi p. 145 pl. 9, figs. 1-2

> STELOMORPHA by Yin 1994 p. 46

Tongiorgi et al 1995: late E. Arenigian S. China

Fang Xiaosi, 1986 Arenigian S. China

Brooke, Li and Wang 2000 : Late Arenig, Hubei & Sichuan, S. China
Early Llanvirn Sichuan, S. China

Quintavalle, Tongiorgi & Gaetani 2000

Arenig (*D. nitidus* / middle *I. gibberulus* graptolite zones)
northern Karakorum Mts, Pakistan

Aclab, Rubinstein & Astini 2006 (pl. 1, figs 2-3) Arenig NW Argentina

Yan & Li 2005 - Arenig (late Early - early Middle Ordovician,
pl. 2, fig 1) 'Stages 2-3'), Tongzi, Suzhou China

Li & Yan 2006 : Early Ordovician (Stage 2c) / Middle Ordovician
(Fig. 3.6.2. 13) (Darnwillian, Stage 3a/3b) (*Lebifidus* / *hirundo* graptolite zones)
Tongzi County, Suzhou Province, South China

AMPULLULA erchunensis (Fang Xiaosi) Brocke^{*} 1997b p. 84-86
emend

1986 *Aremoricarium* erchunense Fang Xiaosi p. 145 pl. 9, figs. 1-2

1990 *Cymatogalea* crassula Vavřdová p. 245 Fig. 6, pl. 2, fig. 6

1994 *Stelomorpha* erchunensis (Fang Xiaosi) Yin Leiming p. 51
pl. 1, figs. 5-7 pl. 2, figs. 1-4, 6

1995 *Ampullula?* erchunensis (Fang Xiaosi) Tongiorgi et al. p. 22

1995 *Stelomorpha* erchunensis (F.X.) Yin; Tongiorgi et al. Addendum p. 48

* NB Brocke's citation is incorrect

Tongiorgi et al. 1995 'provisionally and doubtfully' transferred
this species, Brocke just removed the question mark!

* pl. 2, fig. A, E, F, H, K, 1 = *A. crassula* according to Yan, Servais & Li 2010

Brooke 1997b (p. 84-86 pl. 1, fig. 5, pl. 2 figs. 2A, B, E, F, H, F; Fig. 5) *

range late Early - Late Arenig China

Brooke Li & Wang 1999: Early Arenig South China

Quintavalle et al. 2000 (pl. 1, fig. 5) = *STELOMORPHA crassula*

Li & Yan 2004 abstract: Arenig (C. deflexus / lower A. suecicus
Tongzi S. China graptolite zones)

Yan Li & Liu 2005: Early Ordovician (as above) S. China

Rubinstein & Ottone in Benedetto et al. 2007

Early / Middle Ordovician boundary, Famatina Argentina
