

DEFLANDRIDIVM

Nagy 1969

p. 294

Type species: *D. stellatum* Nagy 1969, p. 294, pl. 2, figs 1, 3-4, 6

Name not validly published since effectively no holotype has been designated for the type species.

Luted as dinoflagellate (eg Lentin & Williams 1969, p. 105)

Considered acritarch genus by Stover & Britt 1976 p. 291
