

MARGOMINUSCULA tennela

tenella ? tenela ?

Naumova 1960

Zhuravleva et al. 1966 : Late Riphean, NW Scotland
Naumova & Pavlovsky 1961 (p. 182 fig. 1, nos. 5-6) Precambrian
(english translation p. 1134) Scotland
(= probable Riphean - see Downie 1962)

(aff.) Sin (= Xing) & Liu 1973 : Riphean Yentiao Region China
(p. 12, pl. 1, fig. 9)

(aff.) Xing et al. 1985 (pl. 1, fig. 11) : Late Precambrian China

(aff.) Yan 1982 (pl. 1, fig. 4) Late Proterozoic (Sinian) China

(aff.) Yin 1985 (pl. 1, fig. 2) : Late Precambrian Huainan Region
Anhui Province China

(aff.) Wang (editor) 1984 (pl. 14, fig. 1) : Late Precambrian (Qinbekou System)
Anhui & Jiangsu Provinces China

Iliescu 1975: Precambrian Carpathians Romania

Luo 1995 : Middle/Late Proterozoic Guangdong, China

Meyerhoff 1980 : Late Riphean, eastern Siberia, USSR

(aff.) Sun 2005 : Neoproterozoic (800-900 Ma)
Yanshan region North China

MARCOMINUSCULA tennela

- (aff) Yang, Zhang, Zheng & Xu 1980 (pl. 16, fig. 1) = Sinian,
northern Jiangsu / Anhui, China
- (aff) Chen Zhang, Zhu, Zhao & Wang 1980 = Sinian
(pl. 6, fig. 9) Jixian Tianjin, China
- (aff) Precambrian Geology Editorial Committee, Ministry of
Geology and Mineral Resources 1993 (pl. 6, figs 1-2)
Sinian, northern Xinjiang, China
- Yan, Qian, Liu, Jiao & Xiao 2005 = Mesoproterozoic (1180 Ma)
(pl. 1, figs. 13-14) eastern sector of central Qilian Mts China
- Chen & Deng 1999 = Proterozoic (pre-Sinian)
Yele Mianning, Sichuan, China
- Chang 1996 = Middle Proterozoic
Jiangnan accretionary gold belt South China
- (aff) Xing in Xing et al. 1989 (pl. 1, fig. 8)
Late Precambrian China
- Xiao, Hu, Deng & Liu in Deng et al. 1996 = Late Sinian
eastern region of Yangtzeorges, Zigui County, Hubei Province China
