

NANNOBARBOPHORA gedlii

Head 2003b

Head 2003b p. 383, 385, Figs 2.1-2.10 (holotype 2.1-2.4)

1996 "Svenkodium versteeghi" Gedl p. 214, figs 12K-L, 16c-h, I,
M, P,

1996 "Svenkodium minimum" Gedl p. 214, figs 12J, 16a-b, i-k, N, R

Head 2003b: late Early Miocene, Norwegian Sea

Sedl 1996: middle Miocene, Poland

Vandenberghe et al 2005: late Middle-early Late Miocene
Rur Valley Graben, NE Belgium

Jiménez-Moreno Head & Harzhauser 2006 (pl. 2, figs 14-16, pl. 9, fig. 1)
Early Miocene (Burdigalian = Middle Ottnangian)
eastern Alpine foredeep, Austria

early Middle Miocene (Langhian = Early Badenian)
Vienna Basin, Austria

Middle Miocene (Langhian - E. Serravallian = E.-L. Badenian)
Pannonian Basin, southern Hungary

Louwye 2005: E.-M. Miocene (Burdigalian - Langhian)
northern Belgium

Louwye & Mertens 2007: Early Miocene (early Burdigalian)
Doe! eastern Flanders, Belgium

Jiménez-Moreno Head & Harzhauser 2005 abstract
Middle Miocene (Langhian - Serravallian) (central Europe)

NANNOBARBOPHORA gedlii

Head 2003b

Soliman & Piller 2005 : Early / Middle Miocene (Karpatian / Badenian)
Styrian Basin Austria

Soliman, Head & Piller 2004 abstract: Early / Middle Miocene
Gulf of Suez, Egypt

Soliman, Head, Piller & El Beraly 2004 abstract 2
Early / Middle Miocene, Gulf of Suez, Egypt

Soliman, Head, Piller & El Beraly 2004 abstract 3
Early / Middle Miocene, Gulf of Suez, Egypt

Soliman, Head, Piller & El Beraly 2005 abstract
Early / Middle Miocene, Gulf of Suez, Egypt

Louwye et al. 2008 : late Middle Miocene (Serravallian)
Porcupine Basin offshore SW Ireland

Gross et al. 2007 : Middle Miocene (Badenian, latest NN4-NN5)
near Ehrenhausen, Styrian Basin, Austria

Soliman, Head & Piller 2006 abstract : Early / Middle Miocene
Kareem-30 borehole, Gulf of Suez, Egypt

Soliman 2006 thesis : E. / M. Miocene, Gulf of Suez, Egypt

Louwye & Laga 2008 : Miocene (Late Burdigalian / Early Langhian)
eastern Campine area northern Belgium (DN4 zone)

Louwye and De Schepper 2010 : Late Miocene (Messinian)
(Figure 6d) southern North Sea Basin (northern Belgium)

Louwye, Marquet, Bosselaers & Lambert 2010 (pl. 2, figs. K-L)
late Early / early Middle Miocene (late Burdigalian / Langhian)
near Antwerp, northern, Belgium
