

OPPILATA eoplanktonica

(Eisenack) Dornig 1981a

p.196

- 1955 *Hysterozphaeridium eoplanktonicum* Eisenack, p. 178-179, pl. 4, fig. 4
1959 *Baltisphaeridium eoplanktonicum* (Eisenack) Downie, pl. 10, fig. 3
1963 *B. eoplanktonicum* (Eisenack) Downie, p. 643
1970 *Multiplicisphaeridium eoplanktonicum* (Eisenack) Lister, p. 94, pl. 12, fig. 17
1970 *Multiplicisphaeridium septispinosum* Lister, p. 94-95, pl. 12, fig. 9-16

Gray, Boucot, Grahn & Hines 1992 : Late Llandoveryan (mid Telychian) Paraguay
Eley & Legault 1992 (p. 86, pl. 2, fig. 14) Late Llandoveryan / Wenlockian Ontario Canada

Downing 1971a : late Llandoveryan, England
Cramer 1970a (p. 128-129, pl. VIII, fig. 129, 131, 134) : middle Llandoveryan - Ludlovian range
(c) Amelror 1977 (p. 150, pl. 2, fig. 1, 2) : Llandoveryan, Norway
Mabillard and Aldridge 1985 : late Llandoveryan - early Wenlockian England
(cf)

Downie 1959 : Wenlockian England
Eisenack 1955 : late Ludlovian Estonia
Downie 1984 (fig. 6.27) : early - late Llandoveryan, Britain
early Llandoveryan - late Ludlovian range
Vavrdova 1965 (p. 352) : Late Karadonian, Czechoslovakia
- Early Ashgillian

Downie 1963b : Wenlockian England
Hill & Molyneux 1988 (pl. 7, figs 5, 6) : Llandoveryan NE Libya
* Hill in Hill Paris & Richardson 1985 (pl. 10, figs 2-5) : Llandoveryan NE Libya
Keegan et al. 1990 : Llandoveryan - Wenlockian Jordan
(cf) Rahmani - Antari 1990 (pl. 4, fig 12) Silurian Morocco
Dufka 1990b : Middle Llandoveryan (late Aeronian) Czechoslovakia
White, Barron et al. 1991 : Late Llandoveryan Scotland

* = *O. insolita compacta*

OPPILATALA eoplanktonica

Chavidel-Syooki & Khosravi 1995 (pl. 5, fig. 5) Llandovery Iran
Vavrdová Bek et al. 1996 = Lochkovian, northern Bolivia

Pöthe de Baldis 1997 (p. 475 pl. 3 fig. 9)
Early / Middle Llandoveryan Argentina

Davies et al. 1997: Middle-Late Llandovery Wales

Pöthe de Baldis 1998 (p. 14 pl. 4, figs. 10-11)
Late Ludlovian San Juan Argentina

(cf.) Aldridge, Jeppsson & Dornning 1993: Llandovery UK.
Llandovery (Aeronian-Telychian) Norway

Dufka 1992b: Late Llandovery (Early Telychian)
Prague Basin, Bohemia, (Czechoslovakia)

Vanguerstaine & Wauthoz 2003 (pl. 1, fig. 1):
Late Llandovery (Late Telychian), Basècles, Belgium

Sherhegova 1971b (p. 38, pl. 10, figs. 11, pl. 12, figs. 12 + 19 + 22)
Pilicinas, Podolia USSR

Stone 1995: Late Llandovery (mid Telychian)
Rhins of Galloway district Scotland

(cf.) Vecoli, Riboulleau & Versteegh 2009 (p. 2 fig 10) Late Ludlow
Shadamis Basin, southern Tunisia
