

1
UMBELLASPHAERIDIUM deflandrei (Moreau-Benoit) Gardine et al
1972

1967 *Archaeohystrichosphaeridium deflandrei* M-B., p. 203, pl. 1, fig. 22, 23

1972 *Umbellaspheeridium deflandrei* (M-B) Gardine et al, p. 303, pl. 3 fig 2-3

* Vanguerstaine in Street et al. 1988, p. 117 considers middle Devonian age more appropriate (on spore evidence)

- Brito 1976 a : Frasnian, Brazil (range Siegenian - Famennian (Strunian))
Moreau-Benoit 1967 : Emuan, France
Moreau-Benoit 1984 (p. 205, pl. 3, fig. 7) : Givetian & late Famennian-Strunian Libya
Jardine et al 1974 : late Famennian & Strunian, N. Africa
(+ Cowinian / Givetian & Frasnian / Famennian)
Noquel & Latreche 1989 (pl. 4, fig. 15) : Strunian - earliest Tournaisian, Algeria
Vanguerstaine in Street et al. 1988 : Early Famennian Libya
Traverse 1988 (Fig 6.65) : Late Devonian, Ohio USA
Cunha & Oliveira 1989 : Famennian Portugal
Lachkar, Moreau-Benoit & Raymond 1993 (pl. 3, figs 10-11) E./M. Tournaisian Spain
Le Hérisse & Deunff 1988 (p. 135-136 pl. 17 fig 15) : Early Frasnian France
Wood 1994 : Middle (-? Late) Devonian Bolivia
Vavrdová 1992 (pl. 2, figs. 1-2) latest Devonian Czechoslovakia
Vavrdová 1991 (pl. 5, fig. 3) latest Devonian Libya (late Tn1a - early Tn1b)
Vavrdová, Isaacson et al. 1993 : Late Famennian Bolivia
Ottone 1996 (p. 140 pl. 8, figs. 7 & 10) : Late Givetian / Early Frasnian Argentina
Vavrdová, Bek et al. 1996 : Late Famennian northern Bolivia
Ottone & Rossetto 1996a (pl. 1, figs. 10-11) : late Givetian / early Frasnian Bolivia

UMBELLASPHAERIDIUM deflandrei

- Loboziak, Melo, Quadros & Street 1997: Late Famennian northern Brazil
- Bär & Riegel 1974: Middle Devonian Ghana
- (cf.) Bär & Riegel 1974 (pl. 2, fig. 9) Frasnian Ghana
- Díaz-Martínez et al. 1999 (pl. 1, fig. 7) Late Famennian western Bolivia
- Vavrdová & Isaacson 1999 (pl. 2, figs. 4 & 7) latest Devonian Murgag Basin Libya
- Vavrdová & Isaacson 2000: latest Famennian NW Bolivia (Figure 16)
- Vanguerstaine in Paris, Richardson et al. 1985 Frasnian-Famennian boundary NE Libya
- Abdesselam-Rouighi 1996: Late Eifelian / Early Sivetian - Late Strunian Illizi-Chamades basin SE Algerian Sahara
- Pererra 1999: Strunian Southwest Portugal
- Rahmani-Antari & Lachkar 2001 (pl. 3, fig. 2) Early / Middle Sivetian - Strunian Moroccan Platform
- Sonzález, Moreno & Playford 2005: latest Famennian (p. 68-69, pl. 6, figs. 11-13) Iberian Pyrite Belt, Southwest Spain
- Sonzález, Moreno & Santos 2006: ditto

Wood 2010 : Late Famennian / Early Tournaisian (Fa 2c) Th 1a)
Quebrada Nevati section, Rio Naguachi, Oxapampa Province Peru

Oliveira et al 2004 : late Strunian (LN biozone)
Neves Corvo Iberian Pyrite Belt Portugal

? de la Rue, Rowe & Rimmer 2007 (Figure 3.8)

Frasnian / Famennian boundary
southwestern Indiana USA

Noetinger & di Pasquo 2007 : early Frasnian,
Tarya Basin, NW Argentina

di Pasquo 2007b (pl. 7, fig. B) Early Viséan (reworked)
Balapuca Tarya Basin southern Bolivia

del Papa & di Pasquo 2007 : reworked in Westphalian
Tarya Basin NW Argentina

Amenabar 2006 (Figure 5N) : reworked in Viséan sediments
San Juan Province NW Argentina

Wicander et al. 2009 abstract, Famennian
ca 60km SW of Santa Cruz Bolivia

Oliveira, Fernandes, Pereira & Borges (editors) 2009
late Strunian, Pedra Ruiva section SW Portugal

Khodjaoui 2008 thesis : Emsian - Middle Devonian
Reggane Basin Western Sahara, Algeria
